EXPERIENCED STAFF ATTORNEY POSITION AFFIRMATIVE LITIGATION FOR TENANT RIGHTS PRESERVATION OF AFFORDABLE HOUSING PROGRAM

Brooklyn Legal Services Corporation A (Brooklyn A) seeks an attorney with at least 3-5 years of practice experience to work in its Preserving Affordable Housing Program, Group Representation Unit, which brings affirmative litigation on behalf of low-income tenants in Brooklyn. Since 1968, Brooklyn A has provided free legal services for low-income residents and organizations of Brooklyn, pursuing a uniquely neighborhood-based mission of justice, empowerment and community development.

The attorney will join Brooklyn A's Group Representation Unit of its Preserving Affordable Housing team. The Group Representation Unit works in collaboration with an extraordinary coalition of neighborhood organizations throughout North, East, and Central Brooklyn and their tenant and community organizers in order to preserve and expand affordable housing for lower income residents of those areas—in the face of rapid gentrification and tenant displacement throughout their neighborhoods. The work involves representing low-income tenant associations confronting landlords harassing low-income residents and seeking to vacate buildings; individuals and families facing eviction; low-income tenant co-ops seeking to reinforce and sustain themselves; community institutions facing closures or adverse actions due to extraordinary market pressures and neighborhood displacement; low-income tenants in fair housing litigation; as well as community groups involved in struggles against pervasive housing discrimination, neighborhood segregation, and other issues critically affecting the future of their communities.

This position will involve representing tenant associations and individual tenants in Brooklyn suffering from harassment and displacement, especially, and initially, in the communities of North Brooklyn (Williamsburg, Greenpoint, and Bushwick), and East Brooklyn (East New York, Brownsville, and Cypress Hills).

The attorney will work to stop such pernicious practices in these communities by: bringing innovative, affirmative litigation to protect tenants' rights and their homes; defending tenants in eviction proceedings; combating systemic housing discrimination through enforcement actions under fair housing laws; representing tenants in administrative proceedings; and providing advice and legal services to help improve conditions in their homes and buildings. The attorney will collaborate with organizers from local community-based organizations and coalitions in order to conduct Know-Your-Rights housing workshops, clinics, and other educational efforts to ensure that tenants are aware of their protections under housing laws. The attorney will also be expected to participate in neighborhood advocacy efforts to stop tenant harassment, displacement, and residential segregation; participate in citywide dialogue around these issues; and contribute to the Unit's efforts to shape our housing advocacy and legal strategy so as to effectively respond to the ongoing needs of our communities.
